

**Explanation on the structure of the list:**

To help you generate an overview of this list as easily as possible, we would like to provide the following information on the structure of the list: The iq digital vendor list is divided into global vendors according to IAB TCF v.2 (vendors who are already certified by the IAB) and custom vendors.

This list of vendors is as of 27th of September 2022, as the market is currently still very much in motion it will evolve. This list is therefore not to be regarded as final and is subject to constant updates. TCF v.1 is no longer considered for this list.

Sometimes we have to delete vendors from our list, in case they don't fit the criteria for our list or don't fit it anymore. You can find these vendors in the section "Deleted vendors as of...". Please consider them in you update aswell.
